

Cause of Death of Girl Unknown.

The inquest in the Jerdis Holt case that was adjourned July 25 to get a chemical analysis of the stomach of deceased from the state chemist reconvened Tuesday afternoon. The report from the chemist showed no trace of strychnine present, whereupon the jury brought in the following verdict: That having heard the evidence in the above case and heard the decision of the chemist who examined the contents of the stomach of the deceased, hereby give as our decision that the deceased, Jerdis Holt came to her death from some cause or causes to this jury unknown.—
