

The many friends of F. E. Mayes, our efficient harness dealer will be pleased to know that he was united in marriage last Sunday evening at 5 o'clock, to Miss Theresa Beckerjeck. The ceremony was performed in Valley City and they returned home Tuesday evening and received a hearty welcome. Both are well known to our readers so that further introduction is unnecessary and the best wishes for a long life of happiness and prosperity is the verdict of all. They will be at home to friends in their elegant rooms on Steele avenue in a few days. As we stated some weeks ago Mr. Mayes has purchased the building he now occupies.
