

OBITUARY:—Death has called another of Hope's beloved ones to the home above. At 3 o'clock yesterday morning Mrs. J. H. McCollom passed away, after a short illness; we understand of inflammation of the bowels. She was sick only a few days and many were not aware of the fact. Dr. Stephenson called consultation, and all his medical skill was applied. Rev. Gilispie and daughter, father and sister of the deceased, arrived last night and the funeral will be at 3 o'clock this afternoon. Mr. McCollom has the sympathy of all.
