

School Notes.

School has opened and pupils and teachers have entered into their work with a zeal that will show good results.

The enrollment is about 170.

Miss Carrie Milligan and Miss Effie Hench were visitors in Miss Larson's room Wednesday.

Rev. Gilpatrick gave us a pleasant call last Friday.

Irene Gilmore is absent from school on account of sickness.

Elsie Luce has been very sick the last week.

Attendance in the entire school is very good however, only a few cases of tardiness since school commenced. A monthly record of attendance and punctuality will appear at the close of each month. Let us have the help of the parents in holding our attendance where it should be. Perfect attendance is necessary to accomplish what has been planned for the pupils.
