

A beautiful church wedding took place at the Congregational church this city yesterday afternoon at 2 o'clock, when one of Hope's most popular young ladies Miss Elsie J McCarter, daughter of Rev. and Mrs. Killen, was united in the holy bonds of matrimony to Dr. Irvin J. Sampson, of Mellette, S. D. Miss McCarter was one of Hope's most accomplished young ladies and will be greatly missed by the young people of this city and especially in church work. The doctor is a very fine young man, while young in years he has a very promising future before him in his profession. The happy couple left on yesterday's train for a short visit east before they take up their abode at Mellette, S. D. A large circle of friends here congratulate Dr. and Mrs. Sampson on their new relations and may their path through life be smooth.
