

Memorial Service.

In response to notices distributed during the early part of the week, to the effect that memorial services would be held at the city hall Thursday afternoon at 2 o'clock, to pay fitting tribute to our late and beloved President, William McKinley, the house was crowded to the doors. Many tender tributes were paid this noble man, by the different speakers. The services opened with music by a double quartette, followed by prayer by Rev. Dingle, of the M. E. church, after which a male quartette rendered a very beautiful anthem, immediately following Revs. Dingle and Killen made very appropriate and touching remarks on the life of the departed one. The services closed by the congregation singing that grand old song, "My Country 'Tis of thee, Sweet Land of Liberty etc."
