

Summer School.

Mayville, N. D., 7-27-'01.

The third week of Summer school has drawn to a close and the work is progressing finely.

During the first two weeks, although the heat had a very depressing influence on most people, the students held grittily to their work and the attendance has been very commendable.

A great deal of credit should be given to the faculty of the school for the able efforts they have put forth to make the school pleasant and attractive as well as instructive to all the "school ma'ams" in attendance.

The total enrollment up to date numbers 98, not including instructors, and is as follows:

From Steele County:—Mrs. Rebecca Austin, Frederick Anderson, W. D. Bradey, Clara M. Cousins, Berdie Gabe', Adelina Harton, Oscar Hanson, Emma Hanson, Dagny Olson, Emily Sparling, Pearl Greene, Rachel Taylor, Blanche Berrington, Bertha Bolstad, Bertha Herte, Ada Patterson, Caroline Pladsen, Emily Sparling and Andrew Thorson.
