

# School Notes.

This year is the first time in the history of our school that we have been privileged to participate in a State High School contest to be held at the University of North Dakota, Friday evening, May 19th. This contest is open to all schools in the state doing a minimum of three years of high school work. Each school will be privileged to send one contestant, to be selected as the school shall find most convenient. But after due deliberation, we have decided to hold a local declamation contest and send as our representative the student who is successful on the platform here. At present, there are nine contestants who will participate in the local contest and it promises to be a warmly fought battle.

Two cash prizes, a first prize of twelve dollars and a second prize of eight dollars, will be awarded to the schools whose candidates win first and second prizes in the contest, this money to be expended in books or in some work of art to be placed in the high school.

The proceeds of the local contest will be taken to defray all expenses, both in holding the local contest and the trip to the University.

Mrs. Graham has kindly consented to select all declamations and train the students.

The Seventh and Eighth grades are having final examinations, Thursday and Friday.
