In accordance with the spirit and intention of the prescribed course of study, there will be promotional exercises for the eighth grade for their entrance into the High School Department. They will have completed the common school course of study and will enter the high school proper in September. The graduating exercises will be given May 27th in the Opera House. An admission of 10 and 20 cents will be charged. There will be no reserved seats. Special music is being prepared for the occasion and several features of the program will be very attractive.
