

School Notes

The first seven grades of our public schools will give an entertainment in the city opera house, Monday evening May 28. The program will be entirely different from anything we have ever given.

Tuesday evening, May 29, will occur in the city opera house the eighth grade promotional exercises. This program will be given entirely by the members of the grade and will consist largely of appropriate commencement exercises. This grade will be a valuable addition to the high school department.

Thursday evening, May 31, in the high school auditorium will be given a public reception under the auspices of the high school to the present senior class to which the entire public is invited. This will be strictly a peoples' reception and very informal.

Friday evening, June 1, our high school commencement will be held in the opera house. There are six members—five girls, namely, Jessie White, Florence Link, Edna Gray, Emma Slingsby and Kate Carleton—and one boy, John Baldwin.

The program will be varied and interesting, announcement of which will be made in the near future. There will be no admission fee to our commencement exercises this year. The general public is cordially invited.

It is quite probable that Hon. W. L. Stockwell will deliver the class address.

The baccalaureate address will be given Sunday evening, May 27. Arrangement for this have not yet been made by the class.

The members of the Senior class have handed in their productions for revision and supervision.
