

An enthusiastic meeting was held at the opera house last Monday evening, which resulted in the organization of a cornet band at this place under the efficient leadership of E. W. Bunce. It will be composed of about twenty pieces. The work of practicing is to begin immediately and it is to be hoped that it will develop into one of the best bands of the state. As there is nothing that livens up a place more than a good band, it is trusted our citizens will give the boys all necessary encouragement, as they mean business. The "kid" band here this spring was of short duration—having given up the ghost after the second meeting.
