# Miss Gilmore Resigned

---

Miss Alta Gilmore has resigned her position as primary teacher in the Hope school, on account of being required to reside on her claim in Williams County. It is understood that a contest has been started, and it is with regret that the patrons lose Miss Gilmore. The Board have engaged Miss Winnifred Tousey, of Ellendale, who is highly recommended and has had years of experience in the lower grades and it is expected she will fill the position with credit.
