

# McKELLIPS--CYRUS

---

At the Congregational parsonage in this city on Wednesday, April 8th 1908, at 10 o'clock a. m., occurred the marriage of Miss Elizabeth Cyrus to Mr. William D. McKellips, both of this city, Rev. Hitchcock tying the nuptial knot.

The bride is one of Hope's popular young ladies. A young woman of many good qualities and is highly respected and esteemed by all. She has taught school in this county for a couple of terms and was considered very successful.

The groom is a son of A. N. McKellips, who lives northwest of Hope on the old Foster farm. He is young man of good habits and well liked by all who know him.

The happy couple, we are told, will live with Mr. McKellip's people and will assist in the management of the farm.

The Pioneer extends best wishes to these young people and may their journey thru life be a pleasant one.
