## In Regard To The County Seat Removal.

---

### SECTION 2364.

“When an Election has been held and at least two-thirds of the votes cast at such election are not cast for some other place than that fixed by law as the former County Seat, no Second Election for the removal thereof must be held within ten years thereafter.”

Ten years is a long time. Are you going to vote to keep our County Seat where it is? Hope is gaining strength every day and a little enthusiasm and work will bring over the voters necessary to make the required two-thirds.

Nearly every resident in the county is in favor of a removal; the only show of moving is for you to WORK and VOTE for HOPE.
