

PIONEER SETTLER PASSED AWAY

Geo. McLain, Sr., passed away at his home in this city last night about midnight. The deceased was a man well along in years and has made Hope his home for the past quarter of a century. He was always held in the highest esteem by all and his word was as good as a bond. He was taken suddenly about a week ago with an attack of paralysis and from that time on continued to grow gradually worse until death finally claimed him last night as stated above. Up to the time of going to press no definite arrangements had been made as to the time and place of holding the funeral services.
