

## School News.

(Edited by Jessie McLaughlin.)

Considering the weather there were a good many out to the institute, Saturday.

The annual institute has been postponed until the eleventh day of May.

There was some talk among the patrons of the school of getting up a petition for another month of school.

At Mrs. Merriell's reception Monday night, for her Sabbath School Class, nearly all were present and a very pleasant time was had. The program consisted of music and readings. Refreshments served at ten o'clock, and all went home voting it the most pleasant gathering this winter.

Mable Warner who has been visiting in Mayville, has returned to school.
