

## SCHOOL ITEMS.

---

Edited by REUBEN McLEAN.

Washington's birthday was celebrated by the school children, Friday afternoon. Program consisted of singing, recitations, reading, placing another star on the flag for Utah and debate--Resolved. That that the people of to-day are as patriotic as those of Washington's time. The question was decided in favor of the negative.

Sickness still keeps a good many children of the primary and upper rooms absent.

The singing class meets every Monday and Thursday evenings.

This month's deposits by the scholars in the School Savings Bank amounted to \$55.55. This excellent institution was started last year and is growing in interest in the lower rooms.

The scholars of the higher room will render a program a week from to day arranged by a committee of their own number.
