

They are started now and still they come. Last Sunday two more of Hope's popular young people went and got married. Miss Grace Warner and Frank E. Carpenter. The ceremony was performed at the residence of G. A. Warner, Rev Whitford officiating. The wedding was a quiet one, only the members of the families being present. Both parties are familiar to all, and many are the congratulations. They left yesterday for Sharon, where they will engage in the grocery business.
