

## MARRIED.

McCULLOUGH—LIVINGSTONE—February 27, at Sandy Street Presbyterian Church, Newry, by the Rev. James Thompson, B. D., John McCullough, of Hope, North Dakota, to Rachel, eldest daughter of Joseph Livingstone, T. C., Newry. *Minneapolis papers please copy.*

The above, taken from the Northern Whig, published at Belfast Ireland, a copy of recent date, will prove surprising to John's many friends here, not very surprising, either, for they all suspected something of the kind to occur when he announced his determination to visit the Emerald Isle, although he stoutly denied the allegation. They will all join with the Pioneer, however, in extending heartiest congratulations to that worthy young man over the happy event, and will welcome Mr. McCullough and his bride home with such a welcome as should be accorded to so excellent a young couple. May their sun of bliss never be clouded, is the wish of the Pioneer.
