—Mrs. Thomas Dodd was declared insane by the county insanity board Tuesday afternoon, and was taken Thursday to Jamestown for treatment. She has been at the home of L. A. Freeland for some time past, where she gave birth to a child a week or two since, she having been brought into town by her husband for the purpose of being properly attended during her illness. Her insanity is due to illness from child-birth, and is thought to be only temporary. Her husband and relatives have the sympathy of the community, and the wishes of all are that she may speedily recover.
