

Obituary.

Miss Georgia Baker, daughter of Mr. and Mrs. Thomas Baker, Sr., died Friday morning at 8 o'clock, at the age of 20 years, after a prolonged illness of several months.

Miss Baker has been a resident of Hope for a number of years, having received a part of her education at our public school. She had taught in Cass county schools for a number of terms, always endearing herself to pupils and parents. She had entered the state Normal school at Moorhead, Minn., and was considered one of the leading students, standing high in her classes, both intellectually and socially.

Miss Baker contracted a severe cold in February last, which developed into quick consumption, and her decline has been rapid until death came to relieve her of her intense suffering. She had mapped out a course of study and literary work, which, if she had lived to complete, would with her natural ability and artistic taste, have brought much delight and profit to herself and benefit to those with whom she would have come in contact. Her life and character have been pure and unselfish, and every one who has come in contact with her has been benefited and delighted. Thus has gone out a young life of much promise for usefulness to herself and friends.

The funeral occurred Tuesday, from the family residence.

The entire community extends sympathy to the loved ones left behind, in this, their sad hour.

The pall bearers were her classmates: Niel Wasem, Arthur Moote, Leo Lang, Bert Shaw, Guy Jackson and Frank Curry.

Card of Thanks.

We take this opportunity of thanking our friends for their kind assistance during the sickness and death of our beloved daughter and sister.
