—Fargo Forum, 8th: Rev. W. C. Whisnand, father of Mrs. Regan, accompanied by his son and her brother came in to attend the funeral, in company with the husband of the deceased, which takes place this afternoon. Mr Whisnand is one of the old pioneers of the northwestern part of Case county, and has the heartfelt sympathy of all friends of the family in this hour of bereavement. The Forum but expresses the desire of those in interest, in bespeaking kindly good will for the relatives of the dead, who are today paying the last sad rites at the grave of the daughter, sister and wife.
