—The sad intelligence reached Mayville last week of the death of Geo. M. Walker at St. Paul, when on his way home from California, where he had been for his health, his disease being consumption. Mr. Walker was well known by citizens of Hope, having instructed the band here for some time two years ago and having taken excellent photographic views of our town a year ago last summer. He was much esteemed and admired by all who had the pleasure of his acquaintance, and his many friends here will mourn his death.
