

CURRY-LONG.

Popular Young Couple Joined in the Holy Bonds of Wedlock.

Married, at the residence of the bride's parents in Finley, on Wednesday afternoon, Nov. 28, 1900, by Rev. J. T. Killen, Hope. Mr. Frank Curry and Miss Addie S. Long, both of Finley.

Only a few of the nearest relatives were present at the ceremony. Miss Ethel Wallwork presided at the piano. Those from away who attended the wedding were Mr. and Mrs. S. D. Curry and daughter Grace, of Hope, mother and sister of the groom. The bridal couple took the evening train for Hope, where they will spend Thanksgiving at the home of the groom's parents, and on Friday will go to Fargo. They expect to return Monday and will go to house keeping in the new cottage just west of the railroad track.

Mr. and Mrs. Curry are both popular and very well known in Steele county, having lived here nearly all their lives, and a host of friends, including the Beacon extend them congratulations and best wishes for a long and happy life, with the best there is in the world always at their command.
