

HAPPILY MARRIED.

Lake City, (Minn.) Republican, Nov. 7th.

Mr. Joseph E. Knight, of Galesburg, N. D., came down from his prosperous farm-home in the far north some ten days ago, for the double purpose, as it seems, of visiting his mother, Mrs. Edwin Wilson and Mr. Wilson, and of taking back to his Dakota home one of Wabasha county's accomplished daughters as his wife, in the person of Miss Jennie Boss, of the town of Gillford. The wedding took place at the home of the bride's parents, on Thursday, the ceremony being performed by an old friend of the family, Judge Malcolm Kennedy, of Wabasha. The joyful occasion was attended by the family relatives of the bride and groom, and a number of their many personal friends in this county. The newly-married couple left for the north on the evening train, and will sojourn at different points on their way home. The God-speeds of their many warm friends and relatives went with the couple to their future home in North Dakota.
