

NUPTIAL.

The marriage of two of Hope's prominent young people was solemnized at the home of the bride's parents at Ripon, Wis., last evening, Wednesday, Nov. 13th. Mr. Leo H. Smith to Miss Grace E. Brewer. Both young people are prominent in Hope, Miss Brewer having been visiting here the past summer, the guest of her cousins, Mr. and Mrs. E. D. Washburn and as for Leo, we are all well acquainted with him so needs no introduction, he having lived in this vicinity for a good many years. The young folks will spend a couple of weeks visiting at different points in Minnesota before returning to Hope, where they will make their home. Mr. Smith has rented the Lacey property in the north part of town and they expect to immediately go to house-keeping.

A host of friends with the Pioneer congratulate Mr. and Mrs. Smith on their new relations and wish them a long and happy life together.
