# DIED.

---

The Pioneer is called upon this week to announce the death of an old time pioneer, James Newell, who lived six or seven miles north of town, which occurred Monday night at about 10 o'clock. The deceased was one of Steele County's first settlers having taken up a claim in the early 80's. He leaves quite a large family to mourn his departure from this world. The relatives have the sympathy of all in this bereavement. The funeral services were held from the Congregational church this city yesterday afternoon and were conducted by the Rev. Killen.
