

MRS. POPE DEAD.

While out driving with her daughter last Saturday Mrs. W. D. Pope fell from the buggy sustaining injuries that resulted in her death that evening. Mrs. Pope had been a sufferer from rheumatism for a number of years and was entirely helpless and unable to save herself from the fall which was occasioned by a sudden jerk of the buggy. The funeral was held from the home yesterday, Rev. Markar'ad of Galesburg officiating, and the interment made in the Hope cemetery. We are unable at this time to give a readable obituary but will try to do so next week.
