There were four cases of tardiness in the Third grade.

Some time ago we decided to award a medal at the end of each semester, to the student having the highest average in scholarship and deportment, also to the one standing second. The medals are in the shape of a small bronze facsimile of the famous old Liberty Bell, and were awarded last week as follows:

Primary Dept.—Doris Tillotson, first; Jamie Iseminger, second.

Second Grade:—Grace Harness, first; Sibyl Wamberg, second.

Third Grade:—Marion White, first; Ina Jefferson, second.

Fourth Grade:—Elsie Klovstad, first; Blanche Warner, second.

Fifth Grade:—Teddie Thurlow, first; Carver Wamberg, second; Paul Curfman stood third.

Sixth Grade:—Aleek Cyrus, first; Joe Cyrus, second; Lester Taylor stood third.

Seventh Grade:—Bertha Kuhn, first; Mildred Danskin, second, with Clara Woodworth third.

Eighth Grade:—Edna Joslyn, first; Zella Jacobson, second. In this grade competition for second was very close, Ethel Joslyn, Beryl Thurlow and Georgia Gray all having averages just a fraction of per cent lower than Zella's.

We feel that this medal is a very good idea; it being a tangible thing to work for and to wear as an evidence of good work done.
