

A meeting of the business men was held at the Club rooms last Tuesday evening and the question of a new hotel and the advisability of given a bonus for the same was discussed. A Minneapolis party has made the offer to put up a twenty-five thousand dollar hostelry providing the town will donate the site and three thousand dollar in cash. The question was discussed to some extent and it was finally decided to wait upon the party and see what could be done and a committee was appointed for that purpose.
