

# W. H. Martin Dead

William H. Martin passed from this life Tuesday about noon after an illness of about two weeks, previous to which time he had been in remarkably vigorous health. M. Martin was born in England in 1836, came to this country in his boyhood and resided in Michigan and Illinois until 1882, when he settled at Page. During his residence here he has acceptably filled many places of trust and by his upright life and whole-souled generosity has gained the esteem of all his associates and was regarded as one of our most respected citizens. He was a member for many years of the Masonic Lodge and the members of that order attended the last rites in a body and their impressive ceremony solemnized the occasion. The funeral service was held in the M. E. Church, Rev. S. L. Hart preached the sermon and Rev. C. W. Foley of the Baptist Church assisted in the service. The body was laid to rest in the Page cemetery.

The deceased leaves a very large circle of relatives, among whom are two brothers and two sisters. His faithful wife survives him but is in very precarious health. Three sons and four daughters also mourn their loss, besides several grandchildren. Mr. Martin will be greatly missed in this community and his death is deeply regretted. — Page Record.
