

MONDAY'S WEATHER.—SCHOOLCRAFT
(Mich.) Express.

Miss Hackett, it will be remembered, was a teacher in our public schools two or three years ago.

The Passing of Tommy See

"Tommie See is dead." This is the word that came flashing over the wires last Monday morning and the sad news flew over this city as on the wings of wind. And wherever it touched it left a gloom of sorrow, for during this young man's sojourn here as operator of the G. N. depot some two years ago he made many friends. Since leaving this city he has been filling a position in the general dispatcher's office at Breckenridge and was holding that position up to about two weeks ago, when he was taken with typhoid fever and to which disease he finally succumbed at a hospital at Breckenridge early last Monday morning. He was a young man of excellent habits and fine moral character. He is survived by his father, sister and one younger brother, who reside near Bathgate this state. His mother passed away about one year ago.

FOOT BALL.

The local foot ball team will play the Mayville Normal team on the local gridiron next Saturday afternoon. This promises to be a hotly contested game and the local enthusiasts are anxiously awaiting the fray.

C. S. MOORES.

In the Fargo college vs. Hope High foot ball game on the local gridiron Monday afternoon the local boys seemed to have the best of the situation. The umpire, a Fargo man, was decidedly lame on the rules of the game and as a result caused no end of trouble. The Fargo college lads were called off the field before the first half was finished with the score 6 to 0 in favor of the locals. Further comment withheld.
