

# HEDDING-BENJAMIN

---

Dr. Joseph A. Hedding, of this city and Miss Ada Z. Benjamin, of Minneapolis were married in Fargo yesterday. The young couple arrived in Hope this morning and for the present will make their home at the Hope House.

Dr. Hedding is a promising young physician who has been practicing here a few months. During this time he has made many friends who join with the Pioneer in welcoming his bride to the city and extending to them best wishes.
