

A very pleasant home wedding occurred on Monday, August 18th at high noon when Elsie Maye, the beautiful and accomplished daughter of our townsman Lyman W. Lewis was united in marriage to Mr. Thomas Starbird, a wealthy business man of Wilmar, in British Columbia. As the clock struck twelve the contracting parties entered the parlor where the family and friends were gathered and were met by Rev. Oscar D. Purinton who united them in the holy bonds of matrimony. After congratulations the company sat down to an excellent and sumptuous wedding dinner. Mr. and Mrs. Starbird left on the afternoon train for their home in British Columbia. The best wishes of the many friends of the bride go with her to her new home.
