

While returning from a picnic at the Shéyenne river Sunday a party composed of J. H. Jackson and family and Geo. Knauss and family were struck by lightning about two miles east of town. One horse was instantly killed and the other injured. Mr. and Mrs. Jackson and Mrs. Knauss and little girl received shocks and were quite badly burned. Mr. Knauss who was directly behind the horse which was killed received no injuries. Dr. Leslie was summoned at once and another conveyance was sent out from the barn after the party. They are all resting well at the present writing and it is probable no serious injuries will result.—Hannaford Enterprise.
