

The Methodist church was re-opened last Sunday with special services. In the morning Presiding Elder Moore preached the sermon. In the evening the different pastors of the town gave short addresses, also the Rev. Locklin, of Dazey, who is the architect for the remodeled building. Three hundred dollars were subscribed during the day towards paying off the debt contracted by the improvements, and this, together with that previously subscribed, just about leaves the improvements paid for which is very gratifying to the members and officers of the church. The M. E. people are to be congratulated on the success of their undertaking.
