

Sudden Death.

The many friends of Mr. and Mrs. J. C. Flynn regret exceedingly to hear of the death of their little fourteen months old son, which occurred on Sunday night at about 11 o'clock. Mr. and Mrs. Flynn had gone to church leaving the baby at home with the girl and other children and the little boy was apparently as well ever. About 8 o'clock he was taken with spasms and Mr. and Mrs. Flynn were immediately summoned. Dr. Brimi, who was operating on a patient at the time, ran over to the house as fast as possible leaving his other patient, and from that time until about 11 o'clock he worked on the little sufferer without effect until death relieved its sufferings. Dr. Brimi says that the child died from Eclampsia or convulsions. The little child had always been healthy and what caused its sickness is unknown. The blow is a hard one to the bereaved parents, who have the heartfelt sympathy of their many friends. The funeral occurred at the Baptist church last Tuesday afternoon, Rev. H. M. Shouse officiating.

"Suffer little children to come unto me, for of such is the kingdom of heaven."
