

—Pursuant to call a goodly representation of the voters of this school township assembled in caucus at the COURIER office last Saturday evening. R. C. Cooper was called to the chair and David Bartlett to the secretaryship. Balloting was lively and resulted in the nomination of Knud Thompson for director, Jack N. Brown for treasurer and Wm. Glass for clerk. After an animated tussle with the ballots Greendale was chosen as the name for the new town. The men nominated will do the town credit in the various positions to which they will be called after to-morrow.
