

Lewis Berg met with a very severe accident last Saturday afternoon. He was taking his gasoline plow engine over to his farm west of town and got down to crank it up. The crank flew back and hit Mr. Berg a terrible blow in the face breaking his nose and other bones in his face. He was taken to Dr. Brimi who fixed him up and dressed his wounds. The affair is a very unfortunate one and the friends of Mr. Berg hope that no serious results will follow from the accident.
