

The county commissioners closed their work last Thursday evening. The Sentinel, Binford Times and Hannaford Enterprise were named as the official papers. The county treasurer business was decided by extending Mr. Stone's term. Oscar F. Hoff was appointed deputy treasurer for the time being with Mrs. Howard Houghton as clerk. Under the new law the deputy sheriff is allowed from sixty dollars a month up but not less than sixty. The board fixed the salary at sixty dollars per month and cut out the regular jailor allowance figuring that the deputy sheriff could take care of the jailor work too.
