

The Cooperstown Commercial Club awoke from its long Rip Van Wrinkle Sleep last Monday night and held a very interesting session in the city hall. Marsar Cussons was elected president; Rev. J. Chas. Evans, Vice-President; O. A. Lee, Secretary; S. Friswold, Treasurer; Executive Board Messrs. Baldwin, Theo. Thompson and N. M. Lunde. Committees were appointed to boost the membership of the club and to see about reviving the band. There is considerable enthusiasm in the air and we hope to see the club doing things under the new management.
