

One of the good things done by the recent session of congress was that in raising the pay of rural carriers. On and after October first the pay of rural carriers will be increased from \$1,000 to \$1,100 per year. The salary for this service is now getting where a good man can afford to take the job and give good service. The vacancy on route No. 2 occasioned by the resignation of Clarence McCulloch, will be filled by the appointment of Charles W. Nicolls.
