

## A Sad Death.

---

Will H. Butler received a phone message Tuesday afternoon announcing the sudden death of Mrs. Harry Brown, Mrs. Butler's sister, which occurred at the Brown family in Steele county on that afternoon. Mrs. Brown's death was due to her taking strychnine, probably while in a fit of despondency over troubles of which others have no knowledge. She was married to Mr. Brown about a year ago. The affair is a sad as well as an unfortunate one, and the sympathy of the afflicted families is hereby extended in this hour of trial.
