

For the third time in the past few weeks the home of Mr. and Mrs. John Fredrickson has been invaded by the hand of death and a loved one taken from the little home circle. This time the little six year old son is taken, death occurring at the Platou hospital in Valley City last Saturday. He had been very low for several days and he was taken to the hospital with the hope that an operation on his lungs might save his life but the little boy was too weak to stand the shock and he passed away., although he rallied for a time from the operation which was successfully performed. It is a terrible affliction which has befallen this worthy family and the whole community deeply sympathizes with them. The funeral was held Tuesday afternoon Rev. J. M. Jenson officiating.
