

Again the home of Mr. and Mrs. John Fredrickson has been visited by the grim reaper, death, who carried away their little eleven months old daughter a little after ten o'clock Sunday evening. The little one succumbed to pneumonia after only a few days illness, and is the second death in this family from the disease in eight days. The blow is a hard one for these good people to bear and they have the sincere sympathy of the people of this city. The funeral was held Tuesday afternoon, Rev. J. M. Jensen, officiating.
