

Geo. N. Stork Dead.

The Courier is in receipt of a letter from Mrs. G. N. Stork stating that our former townsman died at Lake Geneva, Wis. on May 5th. He was sick in bed only one week, but has been running down for the past year. He was buried under the auspices of the G. A. R., he being an old soldier. He was a resident of Cooperstown for a number of years, being a grain buyer, and later on farming on the north side of town. He was formerly Grand Master Workman of the A. O. U. W. of this state and organized many lodges. Many Cooperstown friends will regret to hear of his demise.
