Mrs. Anna Bolkan, mother of Christ and Ole Bolkan, died at the farm home of the latter on March 27, at 2 p. m., after an illness of only a day. Death resulted from an attack of grippe combined with old age, and her demise was so sudden that members of the household hardly realized it until she had passed away. Deceased came to America from Norway in 1866 and settled in Iowa, coming from there to Griggs county in 1904. The funeral was held at the Ness church, Rev. Vikingstad conducting the services.
