

Mrs. Freeman Bolkan died at 6 o'clock last Friday evening after an illness lasting over a year and a half. She was a sufferer from that dread disease consumption. For the past few months she had been failing very rapidly and the last three weeks she was confined entirely to her bed. She leaves besides her husband a little two year old daughter. The funeral was held in the Lutheran church on Tuesday afternoon of this week, Rev. T. E. Sweager preaching the funeral sermon. The remains were laid to rest in the Cooperstown cemetery. The bereaved husband and little daughter have the sincere sympathy of their friends in the great loss that they have sustained.
