

A note from Mrs. Maynard Crane to the editor conveys the news of the death of Miss Mary F. Seymour aunt of Mrs. Crane, on January 2d, while with her niece, Miss Fitch, in Chicago. Miss Seymour will be remembered by many of our Coopers-town citizens, having lived with Mr. and Mrs. Crane here for several years. The North Dakota sunsets were a special delight to Miss Seymour, who used to stand out and drink in the beauties of our summer sunsets and enjoy them greatly. Miss Seymour was in her ninety-second year at the time of her death and just passed away from a general running down that follows old age. She was a very retiring, independent lady, and while here used to get around the town very lively for one of her advanced age. Her friends here will regret to hear of her passing away.
