

## Knapp's Body Found.

The body of Martin Knapp, who drowned last fall while hunting at Stump Lake, was found last Thursday evening by a farmer living out there, floating in the water's edge on the south side of the lake near where it was supposed to be.

Identification was easy and now the bereaved family will no longer be in doubt as to his end, if, as we understand, they were before.

Burial was made near Binford last Friday.
